

## Dr Laudi Olijve leaving Rolleston Central Health

This letter is to advise that Dr Laudi Olijve will be leaving Rolleston Central Health to take a position at another medical centre in central Christchurch. Her last day will be Thursday 16<sup>th</sup> November. We have very much enjoyed having Laudi on our team for the last two years and wish her all the best for her new venture.

Currently our GPs are not taking any new patients, so we are unable to transfer your care to another doctor at Rolleston Central Health. However, in January 2024 we have a new clinician joining our team and your care will be transferred to her. We will advise you when this happens.

### **Prescriptions**

If you require a repeat prescription, and this has previously been arranged with Laudi, you can still request this via the My Indici portal and this will be sent to your regular pharmacy in the usual way.

Thank you for your understanding. We will be in touch in the New Year with further information.
